**NATURE AND EDUCATIONAL PURPOSES**  
**OF APPLICANT**

Educational Radio Foundation of East Texas, Inc. (the "Foundation") is the Licensee of Non-Commercial Educational FM Stations KVNE and KGLY, Tyler, Texas. It is a non-stock, non-profit, corporation organized under the Laws of the State of Texas. Its qualifications to be a NCE-FM Licensee are established and a matter of record with the Commission.

The Foundation's educational purposes include information, education and inspiration of the public. The Foundation was incorporated in 1981. The proposed station will permit the Foundation to fulfill its purposes of informing, educating, and inspiring the public in Jena, Louisiana and surrounding areas.

As part of its educational program, the Foundation encourages its Members, staff and listeners to become involved in their communities. Staff members of the Foundation and its existing stations are frequent speakers at local events.

Speakers are regularly provided for organizations such as:

Hospice

Heart patient support groups

HOPE (a support group for family survivors of suicide)

Kiwanis Club groups

Elder Awareness conferences

Hospital in-service training meetings

various business men's & women's groups

Members of the Foundation's staff and Board serve on local boards of organizations such as:

Compassion House (an organization providing food, shelter and job assistance for underprivileged families.

Public & private schools

Hospice

The Foundation's staff participate in events hosted of the stations' listeners in the various areas served. The Foundation intends to establish similar links with its listeners and members of the communities to be served by the proposed station.

The proposed station will also serve as an outlet for educational programming furnished by educational institutions and as a training facility for local students of broadcasting

and communication. The Foundation regularly accepts interns in both radio broadcast and engineering from local communities and educational institutions in the areas served the Foundation's existing stations, including University of Texas at Tyler, Le Tourneau University (Longview, Texas) Kilgore College (Kilgore, Texas), East Texas Baptist University (Marshall, Texas), the Tyler, Hawkins, Pine Tree and Longview Independent School Districts (Tyler, Hawkins, Pine Tree and Longview, Texas respectively), Texas College (Tyler, Texas) and Stephen F. Austin college (Nacogdoches, Texas). In fulfillment of this portion of its educational purposes, the Foundation will develop similar programs at the proposed station to accept interns from the areas it serves. Educational institutions in the Jena area, which the Foundation proposes that the new station cooperate with, include Louisiana College (Pineville, Louisiana), Louisiana State University at Alexandria (Louisiana), Northwestern State University (Natchitoches, Louisiana) and local public and private school districts.

The Foundation has operated an FM Translator in the Shreveport, Louisiana area for several years. Although not required to, the Foundation has endeavored to meet with its listeners in this area. During the stations open-line talk program on July 29, 1994, over 50% of the calls to the existing Tyler station were from listeners to the Shreveport translator. While this percentage might be greater than would

be found on an average day, the Foundation believes that it indicates strong interest in the Foundation's programming in the region in which Shreveport and Jena are located and that the Foundation's educational purposes are considered worthy by the citizens of the area.

The Foundation's nature and educational purposes include addressing the educational and informational needs of all ages. As described more fully in the Educational Program, Exhibit 2 hereto, programming over the Foundations' existing stations is designed for age groups ranging from the young to the elderly.

**OF APPLICANT**

Educational Radio Foundation of East Texas, Inc. (the "Foundation") is the Licensee of Non-Commercial Educational FM Stations KVNE and KGLY, Tyler, Texas.

In advancement of its program of educational, cultural, and civic activities, the Foundation has developed a substantial schedule of programming that educates, informs and motivates listeners to KVNE, the Foundation's station in Tyler, Texas. A listing of the KVNE program schedule is annexed hereto as Attachment A. The Foundation plans to broadcast a schedule of programming over the proposed Jena station similar to that broadcast over KVNE.

A list of the program topics covered in the 1992-1994 calendar years over the Foundation's existing stations is annexed hereto as Attachment B. The Foundation plans to broadcast similar programs over the proposed station.

The Foundation plans to construct a main studio within the city-grade contour of the station and employ two full time staff members at the proposed station. Under the Foundation's supervision, the Jena staff will be expected to develop close ties with the area (if they do not already have such ties when hired). They, along with other members of the Foundation's staff, will meet regularly with listeners and the public at large in the Jena area to engage in on going dialogues regarding the needs and interests of that area. Programming on the Jena station will be tailored to meet the needs and interests of the Jena area and reflective of the Foundation's programming policies and nature and educational, civic and cultural purposes.

The Jena staff will be involved in educational, civic, cultural and inspirational organizations in the Jena area and, in concert with the Foundation's existing staff and Board of Directors, develop programming responsive to particular needs and interests of residents of Jena and the surrounding areas.
